George Kent (Malaysia) Berhad (“George Kent”), is proud to announce that it has won the Gold Award under the Equities Category (Construction Sector) and Silver Award under the Most Improved Performance Over 3 Years (Market cap between RM300 million and RM800 million) at The Edge Malaysia ESG Awards 2023.

The Edge Malaysia ESG Awards 2023 is organised in collaboration with Bursa Malaysia and FTSE Russell, with Morningstar as the knowledge partner for the funds category and Deloitte as the auditor. In total, 63 awards were presented to 48 companies during a gala dinner held at Hilton Kuala Lumpur on 6 November, attended by more than 380 people.

Tan Sri Dato’ Tan Kay Hock, Chairman of George Kent, commented, “We are deeply honoured and thrilled to receive these prestigious awards at The Edge Malaysia ESG Awards 2023. Winning

this award for the second consecutive year underscores our dedication to ensuring that our operations align with the highest ESG standards and further showcases the dedication and hard work of our entire team. This recognition is a significant milestone in our journey towards creating a positive impact in the industry.

Moving forward, George Kent will remain committed to achieve its ESG goals, creating value for the shareholders, and contributing to the betterment of the society and the environment. These awards inspire us to continue our pursuit of excellence in sustainable business practices and uphold the values that we believe in. Last but not least, we are excited about the future and the opportunities it presents to us in furthering our ESG initiatives.”
