GEORGE KENT CLINCHES RM45.5 MILLION CONTRACT FOR INFRASTRUCTURE PROJECT IN KWASA DAMANSARA TOWNSHIP

PUCHONG, 16 DECEMBER 2024 – George Kent (Malaysia) Berhad (“George Kent” or “the Group”), is pleased to announce that it has been awarded the contract for the proposed construction, completion, testing and commissioning of suction tank, pump house, water reservoir, 11kV switching station unit, and all associated works at Kwasa Damansara Township Development in Sungai Buloh, Selangor.

The contract, valued at RM45.5 million, was awarded by Kwasa Land Sdn Bhd (“Kwasa Land”), underscoring George Kent’s standing as a trusted partner in delivering infrastructure projects. Work on this project is scheduled to commence on 9 January 2025, with the target completion date set for 8 July 2027.

The Group has a substantial tender book and is delighted that this is the second project win this month.

Commenting on this achievement, Tan Sri Dato’ Tan Kay Hock, Executive Chairman of George Kent said: “We are honoured to be entrusted with this significant project in Kwasa Land. This award reflects our ability to deliver innovative and reliable solutions for infrastructure development. We look forward to contribute to the success of Kwasa Damansara and support its growth as a vibrant urban township.”

As George Kent looks ahead to the new year, the Group remains confident in its ability to continue delivering high-quality infrastructure projects. By leveraging the Group’s strong track record and technical capabilities, George Kent is committed to support Malaysia’s urban development and economic progress.
